District 6970 Rotarians, the time for waiting is over and the time to take action is NOW! After working on this project for over seven years we now have an approved Florida Rotary License Plate. The first step is for us to sell 3,000 vouchers across the state and then the State will begin production. Many of you know one of Florida's most visible Rotarians, George Robertson Burnett. George's video message will tell you why you need to purchase your voucher now! This is our opportunity to show the rest of the state that we are the best district. [Click here for video message.](#)

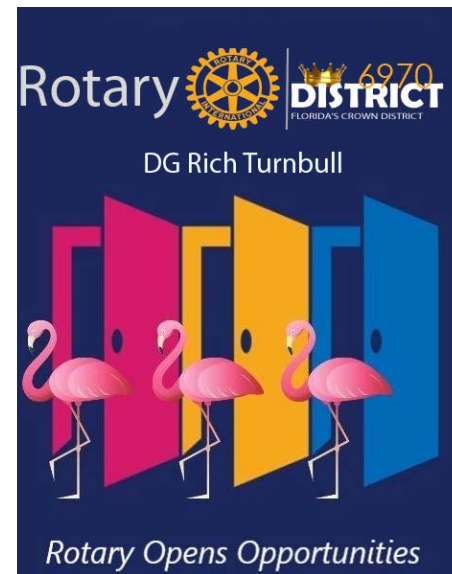

Order your Voucher now by clicking here. Feel free to contact Jeff Michelman, District Governor Nominee if you have any questions

A Message from DG Rich

Welcome to April where we celebrate **Maternal and Child Health**, which covers a host of our local grants and international programs!

There are a great many happenings at our clubs and at the District level, many which are expanded on within this month's Flamingo Flyer; a list is needed to cover them!

- **DG Visits** - If you have not seen me at your club meeting or event yet, at this point it is you, not me! Marie and I want to be there to support, encourage, and inform, but I am not the DG that sets a date and tells a club that is when I am there. It is much better for a club to invite me, so please ask, beg or demand that your president reach out! You only have a couple months left
- **Foundation** – PDG Jeanette has set up some great programs this month, including Grant Management Seminar, which is required for clubs seeking a District Grant for next year. There is also a Foundation Fair to inspire and educate – dates and details found on DACdb and this newsletter!
- **Rotary License Plate** – is finally here: floridarotarytag.com! Sign up to receive yours soon, a significant percent of proceeds is awarded to Rotary Districts in Florida based on zip codes.
- We continue to host **Mingo Bingo Workshops** and **District Governor** town-hall meetings; more details within these informative pages 😊

The 6970 Flamingo Flyer

- **Covid-10 Vaccinations** are rolling out across our country and throughout the world, and all our hopes are high for returning to some sense of normalcy (whatever that is!). However, I encourage us all to continue safe practices of social distancing, etc. and follow national, state and local health guidelines. We will get back to live events, meetings, handshakes and hugs quicker, if we do!

Yours in Rotary Service,
DG Rich

April 10th, 9:00-10:00 AM - Virtual Grant Management Seminar #1: Does your club have an upcoming project that falls within one of Rotary's seven Areas of Focus? Plan on attending this session to learn how you can help fund the project with a District Grant. This seminar will cover the grant requirements, best practices and the application process. **IMPORTANT NOTE:** For your club to qualify for a grant for the 2021-22 Rotary year, **AT LEAST TWO CLUB MEMBERS MUST ATTEND THIS SESSION.** Also, it is strongly suggested that one of the members attending should be the person completing the application and acting as the district's primary contact for the grant.

[Click here to join the meeting or visit the District Calendar in DACdb.](#)

April 15th, 6:00 - 8:00 PM - Virtual District & Global Grant Project Fair: This is an opportunity for your club to highlight an upcoming project, receive feedback/ideas from other Rotarians and invite other clubs in the district to partner with you. It is also an excellent opportunity for those clubs who are looking to participate in worthwhile projects in their local communities or abroad to identify potential projects to support. **If you are interested in speaking about your project, please contact 2021-2024 District Grant Chair, Tim O'Donnell at timo.rotary@gmail.com.**

Where is the Rotary Logo?

Last month we asked you to count the Rotary logos and the correct answer was 37.

No Winner this month.

Keep Trying so you can win a Paul Harris Fellow

This month lets do the same with these guidelines:

- Count the Rotary Wheels - 1st correct answer wins
- Wheel must be clearly visible
- Just because you know it is there, does not count
- Wheels must be at least 50% visible (Marie is arbiter)
- E-mail **marie.rotary6970@gmail.com** with guess
- Winners announced in next month's newsletter
- Limit - you can only win once per Rotary year.
