A Message from DG Rich

Dear Friends and Fellow Flamingos, my Rotary Family!!

Rotary has provided Marie and me opportunities to help make the world a slightly less dark, slightly brighter and better place than what it could be otherwise; to fight for the eradication of the crippling disease that is Polio, to care for the hurt, the hungry, the homeless and the helpless. And Rotary has made me a better person along the way, in no small part due to the gifts of friendship and love that I have at my small club, and throughout District 6970 - we are 3,200+ strong Rotarians who care deeply about our communities and each other, and that gives me hope and strength!

What this year means for me, and the ask I have for each of you, is to help make sure Rotary Opens Opportunities. Only by remaining committed to our Rotary Ideals, embodied by the Four-Way Test, can we face the challenges of today's world, embrace change, and find alternate ways to take advantage of

those opportunities in our lives, so as to continue to do good in our communities and in our club. And yes, to the betterment of ourselves – it's kind of being smart selfish.

As we embark on this new Rotary journey together, I ask for your support and prayers, in whatever form that takes for you. We have an amazing, passionate District, one of the absolute best in the Rotary World. With your help, support, and guidance, we can continue our proud tradition of servant leadership, strong Foundation giving, and fun and fellowship in our clubs. It is an honor to serve with you - let's have a great year!

Yours in Rotary Service,

DG Rich Turnbull

Zone 33/34's initiative is to Feed 10 Million! As the world premier Volunteer Service Organization, we will once again focus on supporting and caring for our neighbors by feeding at least 10 Million Meals during the upcoming Rotary year. If your District, or Club is participating in a food service related service project. Please Log Your Meals so your numbers can be counted.
